Our business is moving Freight...

Our Mission is Total Customer Satisfaction

Our Vision is to continue to provide the highest standard of service in the FTL, LTL and expedited business as measured by our customers. Through team commitment, GTX Logistics Inc. assures to do this by the following:

- ❖ Providing fast efficient service at a competitive rate.
- ❖ Provide dependable and continuous on time service.
- ❖ Making customer service and satisfaction our number one priority.

GTX Logistics Inc. is a transportation management company providing the one stop solution for all your transportation needs. We work with our clients to offer full transportation service with increased productivity.

GTX Logistics specializes in designing and managing cost-effective solutions for manufacturers, distributors, and shippers with unique logistics needs.

Reliability and accuracy are achieved across our network through personal understanding of each customer's needs. GTX is a smarter way to get the solutions and service you seek.

What are your Transportation needs?

Resources – With over 1,500 carriers under contract to perform customized transportation services. GTX can find an available carrier with the precise on board equipment to ensure that your shipment arrives on time damage free.

Convenience – All you have to do is tell us what you want and when you want it. We manage every phase of the shipment from pick up to delivery. Consider us as your traffic department.

Flexibility – Unlike most carriers, GTX does not depend on backhaul lanes. We can react quickly to schedule changes and pick ups, deliveries and en-route changes

Reliability – GTX dispatch is available 24/7 and we focus exclusively on servicing our clients.
